Membership Rate Increases

Effective September 1, 2017

For the past 5 years I have kept our rates the same regardless of any increases in rent or other operational costs. However, due to recent increases in rent and operational costs to keep the Dojo in operation and open it has become necessary to increase the rates. Effective September 1, 2017 all Memberships will increase by \$5.00 to the following rates:

Youth Monthly Rate - \$85.00 per month

Youth 6 Month Rate - \$395.00

Youth 12 Month Rate - \$735.00

Adult Monthly Rate - \$135.00 per month

Adult 6 Month Rate - \$565.00

Adult 12 Month Rate - \$1,000.00

Family discount rates will still apply and there will be no changes in testing fees. Memberships cannot be prorated and as a reminder, any memberships that are renewed late and/or past the due date will result in a permanent 10% increase in the membership rates.

Thanks for your dedication to Shuyokan and most of all your understanding as to the reasons for these increases.

Thank You,
Sensei David A. Dye
